**Coaches, in order for your team to receive a donation your team must be registered.**

**Step by step:**

- > Teneo will provide the coach or athletic director Teneo's logo and link
- > The coach will put it on the team website, (along with other communications, brochures etc....)
- > Athletes and their parents will place their shoe orders through the Teneo website
- > At the end of the month, Teneo will send a 10% donation (of the gross sale) to the HS track team.

**The end result: The athlete gets a high end shoe at a great price (because they are buying it directly from the company).**

**The local HS team receives a portion of the sale through a product which is a necessary purchase their athletes will make regardless (in most cases at a much high price).**

Note 1: The Teneo Cash For Track Program does not include any special on-line promotions, such as the Buy 1 Pair, get a Second 50% off.

Note 2: If your school is within 8 miles of an authorized Teneo Dealer (Retail Store) that is part of the Teneo "Cash for Track" program, your school is eligible to receive 5% and not 10% of the gross sale per shoe.

Note 3: In order to get a donation per pair of Teneo shoes the school must be part of the Teneo "Cash for Track" Program. (Signing up for the program doesn't cost anything).
